MAGDALEN

INDEPENDENT DAY SCHOOL
BOYS 7-15 & SIXTH FORM GIRLS

Introduction from the Master, Helen Pike

Magdalen College School is a remarkable place. We are now well into our sixth century, and our former pupils include scholars, war heroes, musicians, Olympians, two Nobel Prize laureates, a Hollywood film director, and a saint. Our success in public examinations, in securing places at top universities, and in an astonishing array of extra-curricular pursuits ensures that we continue this proud

tradition. We do so by nurturing the individual potential of each of our pupils, and above all we believe that learning is as fun as it is fulfilling.

William of Waynflete founded Magdalen College School in 1480: schoolmaster, bishop of Winchester and Lord Chancellor of England. Being of humble origins, Waynflete was determined that others of ability should be given the opportunity to learn, to serve and to prosper as he did. And so MCS offers a transformative education in our global university city, the community to which we contribute.

We attract and retain the best staff and MCS is a stimulating, welcoming and thriving environment in which both to learn and to work.

A lot happens at MCS. The various sections of our website (www.mcsoxford.org) including the recent [News](#) will give you an impression of our school.

Thank you for your interest.

Admissions Administrator

General Information

The School

Magdalen College School, founded in 1480 by William of Waynflete, is one of the country's leading independent day schools. It is situated in an enviable location at the heart of Oxford beside the River Cherwell.

The Role

The school is seeking to appoint an Admissions Administrator. The post holder will be a member of the team assisting the Registrar in the management of the process of admitting pupils to the School; this process includes initial enquiry, application, testing, interviews, offer of a place and induction to the School. The School intends that every prospective parent and pupil should receive a bespoke, personal service that ensures that they feel well treated and have had a good experience whether or not they are eventually offered a place at MCS. It is the responsibility of the Registrar's team to ensure that these intentions are fulfilled.

The role involves collaboration with many other staff, most notably teaching staff and those in the Bursary, Marketing and the School's Waynflete Office (for alumni relations and development). The responsibilities may vary from time to time as the needs of the School determine. Any responsibility delegated to the Admissions Administrator will be within his/her expected capability and as such may reasonably be required according to the normal practice of an independent school.

The post is offered as a full-time, all year-round position at the School.
