Our Members

With over 500 members, AMCIS is the leading Association for those working in Admissions, Marketing and Communications in Independent Schools. Established in 1993, AMCIS represents some of the largest schools in the UK and some of the smallest.

Our membership is diverse in both size and type, with single sex and co-ed, prep and senior, day and boarding schools all benefitting from AMCIS services. We are also proud to have a number of international schools in our membership.

“The information gained from the training programmes has been invaluable in helping to promote and implement new ideas and processes within our school.”

“I think it’s really important in the current climate that we (admissions, marketing and communications professionals) have a voice in the sector and AMCIS does this for us.”

“Networking opportunities through AMCIS are invaluable and worth the membership subscription alone.”

“The AMCIS office is really useful if I have a problem – they have dealt with so many schools they can usually answer my query or if not, point me in the right direction.”

Costs

AMCIS is a not for profit organisation. We work hard to keep our membership subscription rates as low as possible.

Membership fees for the 2021/22 academic year are £112 for a Prep School and £223 for a Senior School.
